Re: United States v. Lesniewski et al., S14 11 Cr. 1091 (VM)

Dear Judge Marrero:

The Government respectfully submits this letter on behalf of all parties to seek a further extension of the time to submit joint requests to charge and the parties' individual requests to charge covering matters as to which we have not reached agreement. By this Court's endorsement, those submissions are due today. We have made progress on preparing joint requests and narrowing the areas of disagreement, but have not finalized a set of joint requests for submission to the Court. The Government plans to circulate draft joint requests to the defendants today, and to confer with defense counsel on Sunday. Thus, we seek an extension of time to Monday, July 8, 2013.

Respectfully submitted,

PREET BHARARA  
United States Attorney
